AVA: Alisos Canyon

HARVEST DATE: October 20th, 2018 (Moon in Cancer)

ÉLEVAGE: 14 months

PRODUCTION: 103 Cases

RELEASE DATE: March 17th, 2020

In 2018, we were given the incredible opportunity to work with some of the oldest Grenache Blanc vines in the valley, from Thompson Vineyard in Los Alamos. We chose to harvest on the earlier side, to capture the jasmine and bitter almond paradigm that can lift this variety into the sublime.

Fermented in a combination of neutral french and stainless barrels, the wine remained on gross lees throughout the 14 month èlevage, and was bottled on December 20, 2019 (Moon in Libra).

Tasting notes: *Lemon curd, white flower and flint.*
